

Dear Valued Guests,

By order of Lincoln County and the City of Newport we are being required to verify that any guest staying through April 30th meet very specific criteria. All guests will be asked, by order of the City, which of the criteria listed below that they meet prior to checking in.

We are accepting reservations through our website hallmarkinns.com/newport if you have questions regarding reservations please leave a voicemail on this line 541.265.2600 and we will get back to you as soon as possible. You can view our full available inventory of rooms online with pictures and detailed descriptions along with other useful information about our property and amenities.

Due to reduced staffing levels our response times will be slower than usual and our front desk will only be open for checking in and checking out from 11am – 7pm. We will process your inquiries and reservation request as quickly as possible. We appreciate your patience as we navigate through this unprecedented time.

We look forward to welcoming you to the Hallmark Resort Newport in the near future. Your patronage is greatly appreciated and we encourage you to visit our website for your future reservations or call us with any questions you may have. There are currently no restrictions on guests staying after April 30th.
